

**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

PAWS UP RANCH, LLC,

Plaintiff(s),

vs.

ALTUM DEVELOPMENT GROUP, LLC, et al.,

Defendant(s).

Case No. 2:14-cv-01407-RCJ-NJK

ORDER DENYING PROPOSED  
DISCOVERY PLAN

(Docket No. 35)

Pending before the Court is the parties' Proposed Discovery Plan and Scheduling Order, Docket No. 35, which is **DENIED** for the reasons discussed below. Proposed discovery plans must state the number of days sought for discovery calculated from the date the first defendant answers or otherwise appears. Local Rule 26-1(e)(1). The parties failed to do so and instead provide themselves with more than the presumptively reasonable 180-day discovery period by calculating the discovery cut-off based on the date of the Rule 26(f) conference. As the parties fail to explain why more than a properly calculated 180-day discovery period is needed in this case, their discovery plan is **DENIED** without prejudice. The parties shall file, no later than October 21, 2014, a proposed discovery plan that complies with the Local Rules.

IT IS SO ORDERED.

DATED: October 16, 2014
